

Go  
**WASHINGTON PROJECTS**

Verse 1

Who they think I is, cause I'm a good guy I don't know the biz? Please, I been doin this for so long, how a baboon gonna stand up to a king kong? Look, ain't likely you like me, givin y'all higher learnin like my name was Spike Lee. And come fight me you might be dum dum diddy, I spit too precisely. Now that's right G, a little less gangsta. Drop the semi automatic fo your mama spank ya, ha, I said fo your mama spank ya, and bring it back to the little baby in a manger. Hey it's 2009, why we walkin round like we lost our brains? Like we lost our minds.  
Someone tell these dudes what the times is.

Chorus

You know we make em say, go go go go go go. Every single day, yo we make em say, go go go go go go. On the playground little kids say, go go go go go go. Even in the church, yo we make em say, go go go go go.

Verse 2

Gimmie a second wait. All right I'm ready I just need to concentrate cause man, sometimes it gets blurry. Can't see nathan everybody's in a hurry. Move. Pushing and shoving, whoa could somebody please start loving? Yes, I'm inspirational trying to give you what you're missing and I'm patient yo. That's me and seriously, you really need to figure out who you be. Decepticon deception runs through your veins and in vain you wait for Kingdom comes and that's real. I'm talking real deal, Dub-P authenticity is something you can feel. So tell me where you at? And if you ain't sure we'll try to bring you back. Let's go.

Chorus

You know we make em say, go go go go go go. Every single day, yo we make em say, go go go go go go. On the playground little kids say, go go go go go go. Even in the church, yo we make em say, go go go go go.

Verse 3

Enee meenie miney mo, catch a hater by the toe, round em up with killers and with dealers never let him go. And never let him come to see my show. Ask him once or twice a day what you hating for? Man, we don't even think about it anymore. A little time a rhyme then we out the door. Yea, been a diamond since 84'. Give us the mic and a stage and we'll make em say.

Chorus Out
