Momma don't cry I know we gone make it through. No matter where I go I'll always be here for you. I'm only tryin to tell you what I know, and thank you for helping your son to grow.

Chorus

Momma, how do I thank you for the love you give me? Momma, how do I show you that I'll always need you? Momma, you are my angel don't you shed no tears now. Momma, don't you cry, dry your eyes, we gone fly.
